## Bridal Services and Rates

### Wedding Day Hairstyling

Service takes approximately 20 to 45 minutes per person and is scheduled accordingly. Bridal party is expected to be ready for hairstyling as outlined in contracted agreement. For updos, on location or in the salon, client's hair must be 100% dry. One day dirty is preferable, however, a fresh shampoo is okay as long as there is a good amount of product used before your blowdry. DO NOT FLATIRON. Clients that are booked for a blowout at the salon will be shampooed and blown out. Clients that are booked for a blowout on location must have hair wet. This is expected to be done in order for the stylists to do their job well and in a timely fashion.
